ACADEMIC SESSION 2023-2024

Dear Parents,

The new academic year opens the gateway to infinite opportunities and matchless possibilities for every student in Silver Hills Public School. We wish to welcome each one of them back to the wide open portals of our school and to fuel their desire to learn, to explore, to understand, to ask questions and to seek answers. As we continue onward, with a sense of shared identity and purpose, we wish to reaffirm our promise of rendering quality education, in an ambience etched with innovation and ingenuity.

We take pride in our impressive legacy of imparting eminence in education and this year witnesses the passing of the CMI baton of excellence and service from Rev Fr John Mannarathara to Rev Fr Mathew Kalapurayil. Fr John Mannarathara completes his tenure as the Principal of our school, having steered us towards greater accomplishments with redefined objectives and the confluence of aesthetic images in the academic and co-curricular fronts. Fr Mathew Kalapurayil assumes office as the Principal of our school, after having performed key responsibilities as the Principal of Morning Star CMI School, Gudalur and Christ CMI School, Kanhangad.

We welcome you to the LKG, the first magical step of your child's learning ladder, on 5 June 2023. The LKG is a garden of promise filled with new friends, adventure, exploration and learning. Over the year, we will shape a learning community made of unique individuals. We can't wait to get to know each of our young learners. We look forward to a wonderful partnership in your ward's education.

The new academic session commences on 5 June 2023, ushering in the promise of a diverse academic calendar. Praveshanotsav will be held at 9 am. You are requested to be present in the school campus after 8.45 am, to avert traffic congestion.
